

# LAS ROCAS

## Driving Directions

### From San Diego

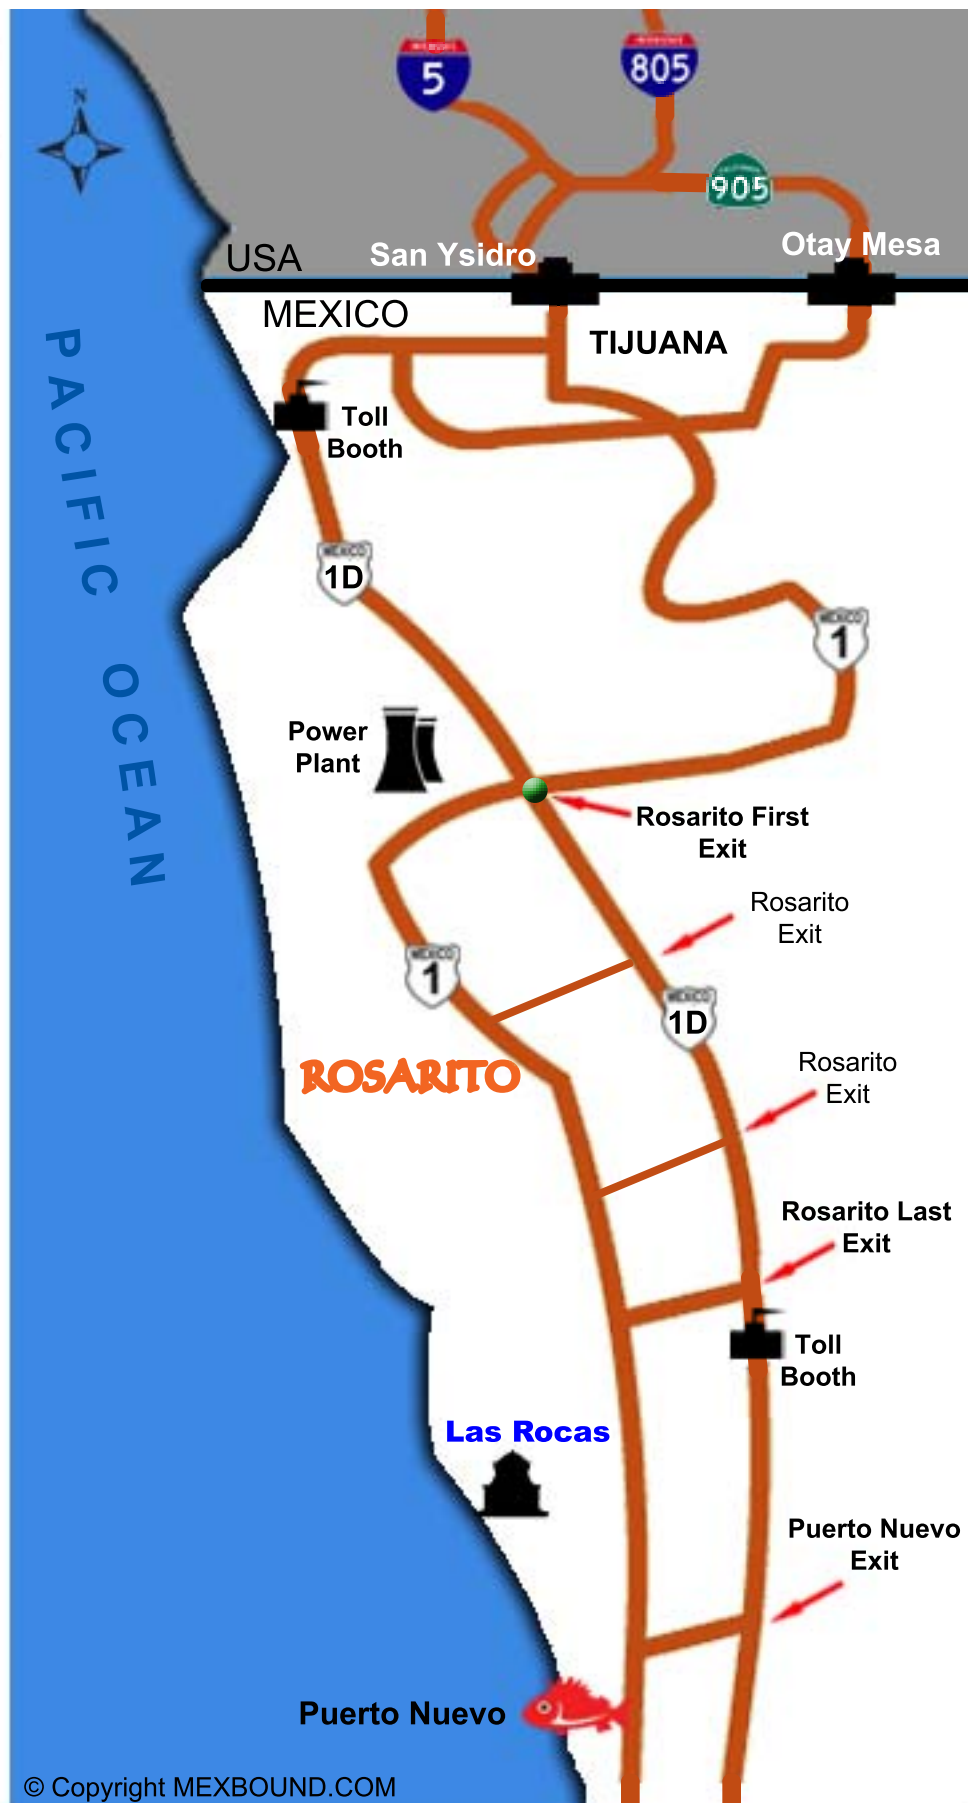

Take the 5 or 805 freeway south to the U.S. - Mexico border (San Ysidro crossing). Both freeways end at the border so take your pick. After crossing the border, stay in the second lane from the right. Follow the signs that say "Rosarito Beach, Ensenada Scenic Route". This road will take you along the Mexico/U.S. border

As you come to the top of the hill, move into the right lane. At the bottom of that hill the road will fork Left and Right, take the fork to the right. It is marked with arrows Rosario/Puerto Nuevo/Ensenada Cuota. (Cuota stand for the Toll Road).

When you get to the first toll booth have your money ready (toll cost about \$2.50). There are four exits into Rosarito. Take the last exit just before the second toll gate, 21 miles from the border. There is a sign there that reads, "La Paloma, Popotla, Calafia, Las Rocas."

Note: If you miss the last Rosarito exit for the free road. At the second toll gate, there is a Pemex gas station and an AM-PM Mini Market. You can drive through its parking lot (without having to pay another toll) to the free road from there. Make a left turn on the free road to Las Rocas. Las Rocas is located about 8 miles on your right hand side just past Calafia Hotel..

(If you miss the exit and go through the second toll gate, drive to the next exit south. This exit will read "Puerto Nuevo." Get off the toll road here. Turn right at the intersection to take the free road heading north to Rosarito.)
