SAN FELIPE

Baja California Mexico
Driving Directions

Your U.S. Auto Insurance will not cover you in Mexico. You must purchase liability Mexico Auto insurance in the event of theft or accident. Before you leave on your next adventure south of the border, be sure to purchase Mexican Auto Insurance Online from mexbound.com, completely eliminating the hassle of stopping at the border. Remember, mexbound.com is "the first choice for the smart traveler."

San Felipe Baja California is the Northern most beach resort community on the West side of the Sea of Cortez. Located 124 miles south from Calexico/ Mexicali Border, and 230 miles from San Diego. If you are driving, you need to get to Calexico, California. You can get there via San Diego on Interstate 8 East or from Yuma, AZ take Interstate 8 West to Hwy. 111 exit. Take Hwy. 111 South to Calexico and the Mexican border. There are two crossing points into Mexico from here. Drive time from border to the San Felipe is approximately 2 hours.

Border Crossing at Calexico

From El Centro: Go east on Interstate 8 to Highway 111 exit. Go South on Highway 111 to the border. Go through the border, and bear right. After approximately 500 feet turn right for San Felipe. Go straight on this road through Mexicali (major intersections will have signs for San Felipe.) This turns into Highway 5. Stay on Highway 5 until you reach San Felipe.

Eastern Border Crossing

From El Centro: Go East on Interstate 8 to Highway 111 exit. Go South on Highway 111 to the third light (Hwy. 98 or Truck Route 7). Go East on Highway 98 for about 7 miles where the sign shows the border crossing. Make a right and proceed up and over the cloverleaf and into the border crossing (this is clearly marked). RV's are to follow the signs for passenger cars.

Driving from Yuma to San Felipe

Take Highway 8 West and exit at Highway 98. Go West on Highway 98 for about 16 miles. At the traffic light, make a left and proceed up and over the cloverleaf and into the border crossing (this is clearly marked).

Once through the new border crossing you will come to a "T" crossing. Make a right and proceed West along the border boundary to the first stop sign where you will make a left onto Calzado Manuel Gomez Morin (MORIN BLVD). Continue South on MORIN through 7 traffic lights, passing the Sony plant. Turn left onto Highway 5 going South. San Felipe is about about 2 - 2 1/2 hours

Driving from Ensenada to San Felipe

If you are in Ensenada, you can drive to San Felipe via Highway MEX 3. From Ensenada you will need to go east on Highway 3, until you reach Highway MEX 5 where you will head south until you reach San Felipe.
